Our File No.: PLNTF 502

CLERK, U.S. DISTRICT COURT  
NORTHERN DISTRICT OF CALIFORNIA

Dear Judge Laporte:

It has come to my attention that the attorneys for the City and County of San Francisco are stating that the driver Melvin Washington was not properly served with the Summons and Complaint. We are accepting the City Attorney's representation that Mr. Washington was not properly served. Therefore, since he has not officially been served and is not before the court, we believe there is no opposition to the remand of the case back to the State Court.

We are requesting the Federal Court expedite remanding the case back to State Court so we can proceed with resolution of this case.

Very truly yours,

  
PHILIP A. SEGAL
